

Colloquium

Primordial Gravitational waves as revealed by BICEP2- an informal and pedagogical account

N.D. Hari Dass

TIFR-TCIS, CMI & CQIQC @ IISc

I shall give a critical but informal and pedagogical account of the recent claims by BICEP2 of having observed evidence for primordial gravitational waves and cosmological inflation.

Wednesday, May 21st 2014

4:00 PM (Tea/Coffee at 3:30 PM)

Seminar Hall, TCIS
